

Robbie Burns Supper at Abbey St Bathans Village Hall

Our Burns night supper at Abbey St Bathans on 25th January was an amazing evening, with a great turnout of nearly 50 residents. There was a real buzz throughout the evening and we had some fabulous feedback.

After all the guests had arrived and settled with a drink the haggis was piped in. Kit very kindly agreed to address the haggis and he kept us entertained with his flamboyant style!

After everyone had enjoyed the traditional haggis, neeps & tatties, there was a selection of delicious desserts provided by the Jim Clark cafe which went down very well. Many thanks to Kit & Susan who then entertained us with a few songs and Mary for reciting a poem, which all made the evening just a bit more special.

Many thanks to all those who worked hard and contributed to the evening, including Dianne who organised everything and made it happen.

Ian & Pip our chefs in the kitchen and also serving, plus Pip's tasty whiskey sauce! Keith, Carol & family for serving at the bar Elaine & Joy for helping to tidy up, plus many others. We also want to thank everyone for come along to support our evening as it is a

great way for us to build friendships within our community. The entire evening was funded by the Aikengall Wind Farm.

The bar collected £220 which was donated to the Duns Foodbank, who have expressed their thanks.

You can be sure we will be running another Burns night supper next year and will let everyone know through the COABP website and newsletter with the details.

"Thank you SO much for tonight. It was absolutely brilliant. Things like this don't happen without a huge amount of work behind the scenes. From the moment we walked in and saw how beautiful the hall looked, we knew we were in for a good evening. We are so lucky to have the ABPCC providing things like this in the community. Please know that it's appreciated."
